

# Senior or Principal Consultant

## Environmental Policy and Economics

### Location: Brussels

#### The Company

Logika Group is a leading UK-based independent environmental consultancy, underpinned by a growing team of experts in environmental policy, strategy, design, and assessment.

With offices in London, Bristol, Warrington, Brighton and Belgium, Logika Group comprises of four specialist sister companies: Logika Consultants, Air Quality Consultants, Noise Consultants and Logika Europe with the Environmental Policy and Economics team working horizontally across the Group.

Over the last 30+ years, we have achieved sustained growth and honed our provision of high-quality services, while securing a large volume of repeat business from satisfied clients.

As such, we pride ourselves on being able to:

- Service a wide range of our clients' needs
- Employ the best people to provide the highest quality advice
- Provide a personal service
- Deliver innovative cross-disciplinary solutions
- Respond quickly and efficiently
- Offer value for money

With a proven track record of success, Logika Group has been involved with UK Government expert groups and European Commission working groups, provided expert evidence at Public Inquiries, and helped clients gain planning consent for thousands of projects.

#### The Role

We have recently established a Brussels based part of the business to accelerate growth of the company outside of the UK. We are now looking for an addition to the team to support our new office in Brussels and to help the growth of the group across Europe. If you have a keen interest in environmental policy; are able to analyse and interrogate data; communicate clearly both verbally and in writing and have the skills and enthusiasm, then we want to hear from you.

This is an exceptional opportunity at an exciting time both for our business and for international environmental policy. You will work autonomously, have client facing opportunities, be involved in the development and implementation of the strategy of the new company, play a key role in business development and writing winning bids. You will play a key role in the delivery of our work.

In return you will be given extensive support from the wider business, play a visible role in a growing organisation committed to further growth. This is a superb opportunity for an ambitious policy professional ready to take on a new challenge and accelerate your career.

## Skills and experience we are looking for

- A keen interest in furthering your career in environmental policy and economics
- Prior experience in the development, assessment, evaluation, or appraisal of environmental policy for international bodies, government and / or industry clients.
- This may have been achieved via in a consultancy, government, research agency/think tanks, NGO or private sector / industry organisation.
- Demonstrable experience in national/international environmental policy development and implementation in at least one of following topics: climate change, chemicals, circular economy, air quality, industrial emissions, waste and/or water.
- Excellent communication skills and ability to write clear and concise reports in English.

## Desirable:

- Understanding of policy priorities of the European Commission and its Agencies and/or other national or international institutions in the field of environmental policy.
- Mathematical / quantitative analysis, data / statistical modelling skills.
- Analytical / economic techniques such as: survey design and execution; market analysis socio-economic analysis; regulatory impact assessment.
- Familiarity with European Commission's Better Regulation Guidelines and/or understanding of the development of public policy and the methods for assessing the economic and environmental impacts of government action.
- Familiarity with national / international sources of government and business statistics.
- EU language capabilities would be welcome, in particular French.
- The ability to represent the company at meetings and other events

## What we offer

We are a growing Group of companies that wants to do things differently, with an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

Alongside a competitive salary, bonus scheme and benefits package, we support our employees through wellbeing programmes. These include trained mental health first aiders and readily available support through our Employee Assistance programme.

The Equal Opportunities Policy is to ensure that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

## Our Values

Logika Group is underpinned by three clear values – **Community, Collaboration and Professionalism & Integrity** - developed by our staff members to reflect our shared principles, approach to our work and positive company culture.
