

Landscape Planner (LVIA Specialist)

Principal Consultant to Technical Director Level

Logika Group

Location: London, Bristol, Warrington, Leeds or Brighton

Role Location

The role would be office or hybrid home/office based in any of our UK offices, but with a slight preference for London (Farringdon). Occasional travel may be required for specific project needs such as meetings or site visits. Full or part-time hours will be considered.

The Company

Logika Group is a leading independent environmental consultancy, underpinned by a growing team of experts in environmental policy, strategy, design, and assessment.

With offices in London, Bristol, Warrington, Brighton and Belgium, Logika Group comprises four specialist sister companies: Logika Consultants, Air Quality Consultants, Noise Consultants, and Logika Europe.

Over the last 30+ years, we have achieved sustained growth and honed our provision of high-quality services, while securing a large volume of repeat business from satisfied clients. We were recognised as a 'top 25 leading player' in UK Environmental and Sustainability Consulting by Environmental Analyst.

We pride ourselves on being able to:

- Employ the best people to provide the highest quality advice
- Provide a personal service
- Deliver meaningful work to a high technical standard, which protects and improves the environment
- Design innovative cross-disciplinary solutions

With a proven track record of success, Logika Group has been involved with UK Government expert groups and European Commission working groups, provided expert evidence at Public Inquiries, and helped clients gain planning consent for thousands of projects.

Logika Group is underpinned by our values of **Community, Collaboration and Integrity** – developed by our staff members to reflect our shared principles, approach to our work, and positive company culture.

The Role

We are looking for a senior landscape planner (Principal Consultant to Technical Director level) to lead

and grow our existing landscape planning service.

You can expect to enjoy a challenging and varied role and will typically be authoring and providing input to a range of technical landscape and visual assessments. You will be working alongside our EIA managers and other aspect technical experts, as well as our landscape design team. You will be involved in delivering a number of existing projects including solar farms, wind farms, gas to grid biomethane plants. You will have a client-facing role with responsibility of managing project teams and project delivery, as well as winning new work and growing the team.

You will also be a team player, happy to share knowledge, collaborate and support others and demonstrate an interest in sustainable landscape solutions as part of the assessment and design process.

This is an exceptional opportunity at an exciting time both for our business and for environmental consultancy. With us, you will work in a friendly, supportive environment and will be given one-to-one support, mentoring, learning and development via experienced colleagues. External training will be provided where required.

Skills and experience we are looking for

Candidates will need to be able to work on their own and as part of a team, sharing responsibility for the management of both projects and staff.

Key Requirements

- Chartered landscape architect with CMLI qualification (or on the P2C)
- Demonstrable experience of handling LVIA's in both EIA and non-EIA developments either independently, or as part of a team and wanting to make the next step in their career
- Excellent knowledge of GLVIA Third edition and the associated technical guidance notes
- Good knowledge of the UK planning system, planning guidance and policy context
- Site and photography experience for landscape and visual assessments
- Fluent spoken English with excellent verbal, written and graphic communication skills
- Technical skills and proficiency in Autodesk, GIS software and Adobe Creative Suite
- Full UK driving licence
-

Qualifications

- Degree level qualification in Landscape Architecture or recognised equivalent.
- A Chartered Member of the Landscape Institute or on the P2C.

What we offer

We are a growing Group of companies that wants to do things differently, with an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

Alongside a competitive salary, we offer a range of formal benefits and training, and development programmes to enhance employee satisfaction and professional development. These include, an enhanced pension scheme, private medical insurance, competitive annual leave entitlement which grows with length of service, additional annual leave purchase scheme, rail and bus season ticket loans, cycle scheme, group life assurance, staff training and CPD programme, employee recognition awards, social value programme and more.

Furthermore, we ensure we can support our employees through offering wellbeing programmes and policies that support individuals. These include flexible working, trained mental health first aiders, and readily available support through our Employee Assistance programme.

Logika Group's Equal Opportunities Policy is to ensure that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

How to apply

Please apply using the application form on our website – www.logikagroup.com/careers
If you have any questions on the role and/or group, then send them through to careers@logikagroup.com.
