

Flood Risk and Drainage Senior Consultant

Logika Consultants Limited

Location: London, Bristol or Warrington

Role Location

The role is London, Bristol or Warrington based but we also encourage a balance of working from our offices and working from home.

Full or part-time hours will be considered.

The Company

At Logika we work as one team alongside our sister companies Noise Consultants Ltd and Air Quality Consultants Ltd; we see flexibility and collaboration as essential to our continued success and we manage the Group of companies as if a single entity. We provide people with the opportunity to progress and work on interesting projects with a wide range of valued clients who operate in a variety of sectors.

The Role

We are seeking a Flood Risk and Drainage Consultant with appropriate qualifications and at least 5 to 7 years' experience preparing FRAs and Drainage Strategies to join our team. This is an exciting opportunity to join a forward-thinking solution focused environmental consultancy with sustainability at its heart.

Key Skills

- Ability to recognise and communicate flooding and drainage related constraints and opportunities at development sites.
- Experience producing and reviewing a wide range of FRAs and drainage strategies.
- Good knowledge and experience of MicroDrainage.
- Good knowledge of the planning system, in particular flood related policy and guidance such as the NPPF and SuDS Manual.
- Awareness of financial control and project management.
- Good project management and communication skills in a client facing role.
- Ability to write clear and concise reports.
- Ability to supervise and motivate others.

Some knowledge of either Tuflow, Flood Modeller Pro, FEH or river restoration would be a benefit, but is not essential. Applicants considered on an equal footing irrespective of this.

What we offer

We are a growing Group of companies that wants to do things differently, with an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

We ensure we can support our employees through offering wellbeing programmes and policies that support individuals. These include flexible working, trained mental health first aiders and readily available support through our Employee Assistance programme.

Furthermore, along with a competitive salary, we offer a benefits package which includes an enhanced pension scheme, death in service life cover, discretionary bonus scheme and much more. Logika Consultants Equal Opportunities Policy is to ensure that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

How to apply

Please apply using the application form on our website – [Careers \(logikaconsultants.co.uk\)](https://logikaconsultants.co.uk)
If you have any questions on the role and/or group, then send them through to careers@logikagroup.com.
