

Experienced Landscape Architect

Logika Consultants Limited

Location: London or Bristol

Role Location

The role can be based at either our London or Bristol office.

Full or part-time hours will be considered, and we encourage a balance of office and home working.

The Company

Logika Group is the UK's fastest growing, independent, multidisciplinary, environmental consultancy, underpinned by a team of around 100 experts in environmental policy, strategy, design and assessment.

With offices in London, Bristol, Warrington and Belgium, Logika Group comprises of four specialist sister companies: Logika Consultants, Air Quality Consultants, Noise Consultants and Logika Europe.

Our sustained growth, for over 30 years, has been founded on the delivery of high-quality services, with a large volume of repeat business from satisfied clients.

The Role

We are looking for an experienced landscape architect to support the landscape team leader, by managing landscape design projects and supervising inputs from other team members. The successful candidate will work closely with our ecologists, water management, air quality and noise specialists to help deliver cutting-edge designs solutions and sustainable outcomes. They will be involved in a range of exciting projects, such as green and blue infrastructure strategies for large-scale masterplans and landscape designs for housing, hospitals, leisure and commercial developments.

About You

You will be a team player, happy to share knowledge, collaborate and support others, and be able demonstrate an interest in sustainable landscape design solutions.

Key Requirements:

- Chartered landscape architect with around 15 years' experience.
- Excellent design skills at all work stages.
- Strong written and verbal communication including good report writing skills.
- Experience of proposal writing and project management.
- Experience of liaising directly with clients, planners and multi-disciplinary design teams.

What we offer

Logika Group has an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

We support our employees by offering wellbeing programmes and policies including flexible working, trained mental health first aiders and our Employee Assistance programme.

Furthermore, along with a competitive salary, we offer a benefits package which includes an enhanced pension scheme, death in service life cover and much more.

Our Equal Opportunities Policy ensures that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

How to apply

Please apply through the careers page application form, using the link below and include a PDF of your CV, portfolio and covering letter which should set out how your experience is relevant for the role and why you are interested in being considered.
